[1](#)1. (SBU) On October 30, Emboff met with the Ministry of Foreign Affairs Director of International Organizations and delivered ref A demarche. Director Ruben Vidaurre was unaware of the FATF statement and guidance on Iran. He offered no comment beyond polite appreciation for bringing the matter to the MFA's attention and said he would forward the information to relevant officials and ministries.

[1](#)2. (SBU) Comment: Given President Evo Morales' recent decision to establish diplomatic and commercial ties with the government of Iran (refs B-E), it seems unlikely that his government will enforce (vigorously or otherwise) the principals of the FATF statement. End Comment.
